It will be chiefly remembered by the passage of the McCulloch compromise debt bill and the bill authorizing the James River and Kanawha Company to transfer its rights and franchises to the Richmond and Alleghany Railroad Company. But it is the author of many other measures of public importance, and also of numerous private relief and road bilis. The majority of the members bave worked faithfully, and deserve well of their constituents. Below are noted some matters of recent legislation which are of interest to our CUSTODY OF INFANTS.
